# Aktiv Flip & Roll. by Crestline

Aktiv Flip is a brilliant provision for multi-purpose venues. With quick and simple movements the tables are transformed from the compact folded position, rolled into place, set to sitting or standing height, ready for use.

Featuring a unique counterbalance gas-spring mechanism, Aktiv enables simple, virtually instant height adjustment from 680mm-1180mm for effective ergonomic sit-stand usage.

- **Silent** – no noise distraction from motors.
- **Reliable** – no electrical connection or motor problems.
- **Simple mechanism** – minimises any maintenance issues.
- **High quality** – German engineering for maximum reliability.
