

MILLAU

Crestline[®]

Dynamic aesthetic with an elegant twist

Designer: Crestline DesignWorks

The Millau range combines form and function, providing an aesthetically pleasing finish, suitable for multiple spaces including café, meeting, and breakout areas.

With a bold and sophisticated angular profile, the Millau range contributes a modern and refined character to your space.

Featuring a timber leg option, which adds a natural and elegant touch to the design.

The Millau Story

Millau is inspired by the structure of the renowned Millau viaduct, one of the world's modern architectural and engineering marvels, and the world's tallest bridge, standing at 343 meters.

Spanning 2460m, this ingenious design is all held in place with 154 steel cable stays.

Our Millau range constitutes bold pillar-like rounded legs with a sturdy frame construction, and the leaners incorporate sleek angled supports, emulating the cable-stays on the famous viaduct.

Table

The Millau round table is an essential part of any functional space, allowing for better communication and contribution.

The Millau rectangular or square table is fundamental in many applications, and is instrumental in creating an area for ideas to come together and creativity to flow.

Leaner

The Millau leaner possesses a bold, sleek, and sophisticated style, and complements any breakout or cafe space.

Warranty:

10 Years

Lead Time:

4-6 weeks

Large Project Quantity: 10-12 weeks

Creating spaces where people look forward to Monday mornings.

The relationships people have with the office is fundamentally changing. How, where and when people work is no longer uniform. Nor are our solutions. We believe in the power of creating engaging spaces and furniture, so inspired and productive teams look forward to coming to work on Monday mornings.

For over 30 years Crestline has been helping design office spaces for companies who want more. More options, more flexibility, more design. Over the next 30 years we want to see NZ furniture design celebrated on the world stage, ethically, sustainably and joyfully.

Crestline; look forward to Monday mornings.
