

The new DUNAS LOUNGE collection expands the possibilities of the DUNAS XL family. An exclusive collection of elegant lounge chairs, designed to provide comfort and style in modern corporate, hotel or residential spaces. The collection consists of armchairs with a high or medium backrest and a matching ottoman. Both the armchairs and the ottoman can be customized with a wide variety of upholstery fabrics and leathers. The base of the armchairs is equipped with a turning movement with automatic return and can be finished in polished or painted aluminium.

BODY

The body is made with an internal steel structure covered with high-density and resilience CMHR polyurethane foam injected into a mould and an external layer of polyester fibre. The body is manufactured in two heights.

Upholstery: Available in all fabrics and leathers from the INCLASS sample book and optionally with fabrics supplied or specified by the customer with prior approval.

BASES

The chairs are equipped with a four-spoke cast aluminium swivel base with self-return movement. The base of the ottoman is not rotatable.

Base finishes: Black and white thermoset polyester paint or polished aluminium.

Feet: Each spoke is equipped with height-adjustable feet.

CERTIFICATES AND REGULATIONS

European Standard UNE EN 16139-2 and ANSI BIFMA X5.4

INCLASS has its quality management certified in accordance with the ISO 9001 standard in all the design, manufacturing, and marketing processes of its products.

INCLASS's production processes are certified according to ISO 14001 environmental regulations and are carried out seeking to reduce waste and energy consumption to minimize environmental impact.
