

## Humanscale Liberty® Task

**Type**  
Chairs & Stools

The Liberty Task chair is an intelligent mesh task chair engineered to provide automatic lumbar support for every user, as well offering simplicity and complete ease of use. Liberty was designed to offer a unique, minimal aesthetic and to provide custom comfort for every person who sits in it. Like Humanscale's Diffrient Smart and Diffrient World chairs, Liberty uses Humanscale's revolutionary Form-Sensing Mesh Technology and mechanism-free recline for perfect support and unprecedented comfort.
