Workspaces so good you'll look forward to Monday mornings.

The relationships people have with the office is fundamentally changing. How, where and when people work is no longer uniform. Nor are our solutions. We believe in the power of creating engaging spaces and furniture, so inspired and productive teams look forward to coming to work on Monday mornings.

For over 30 years Crestline has been helping design office spaces for companies who want more. More options, more flexibility, more design. Over the next 30 years we want to see NZ furniture design celebrated on the world stage, ethically, sustainably and joyfully.

Crestline; look forward to Monday mornings.
