Workspaces so good you'll look forward to Monday mornings.

The relationships people have with the office are fundamentally changing. How, where and when people work is no longer uniform. Nor are our solutions. We create engaging spaces, so that people look forward to coming to work on Monday mornings.

For over 30 years Crestline has been helping design office spaces for companies who want more. More options, more flexibility, more design. Over the next 30 years we want to see NZ furniture design celebrated on the world stage, ethically, sustainably and joyfully.

Crestline; look forward to Monday mornings.
